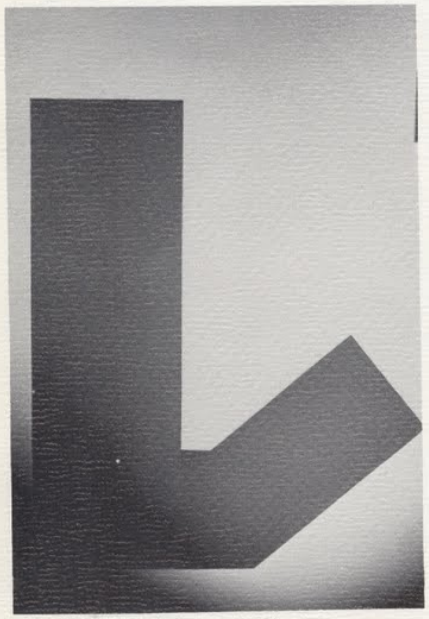
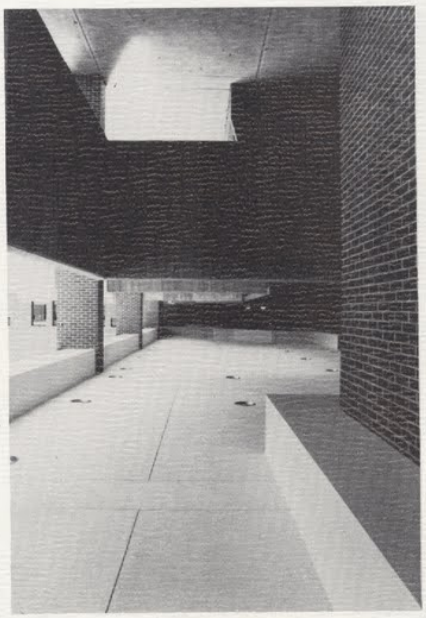
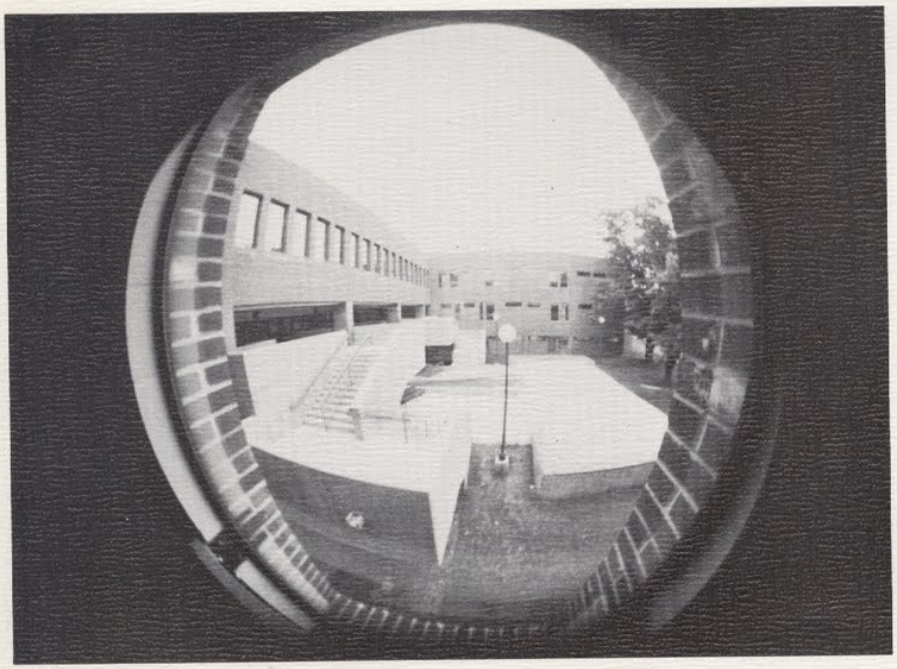
TAUNTON HIGH SCHOOL

Taunton, Massachusetts

NEW BEGINNINGS

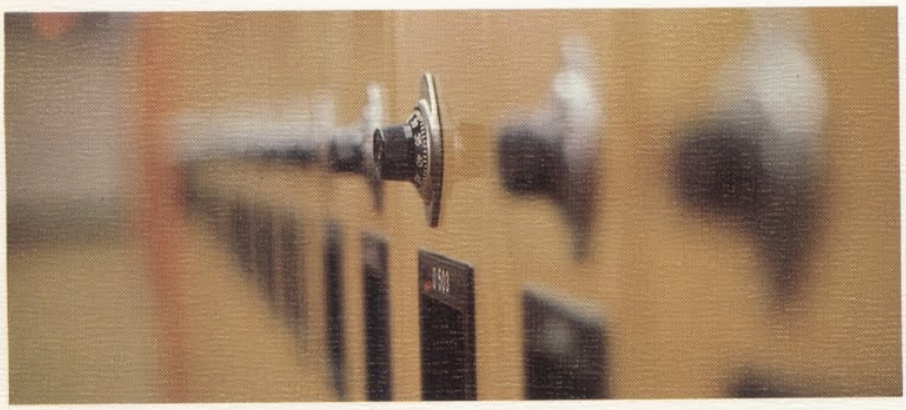


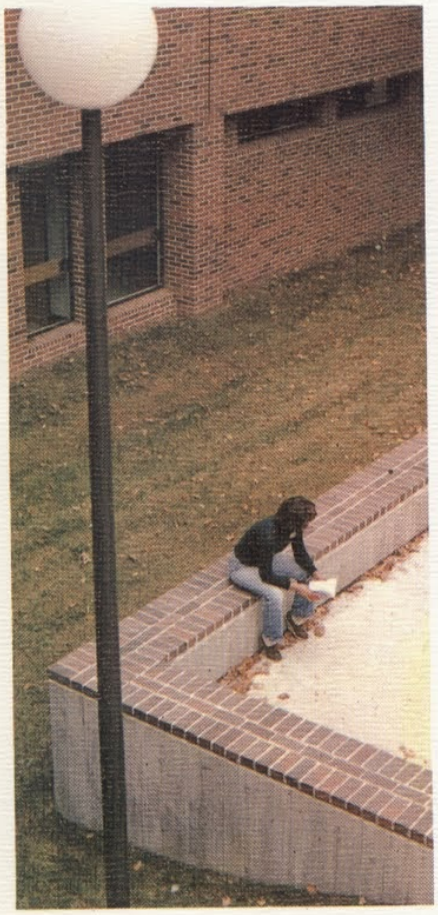




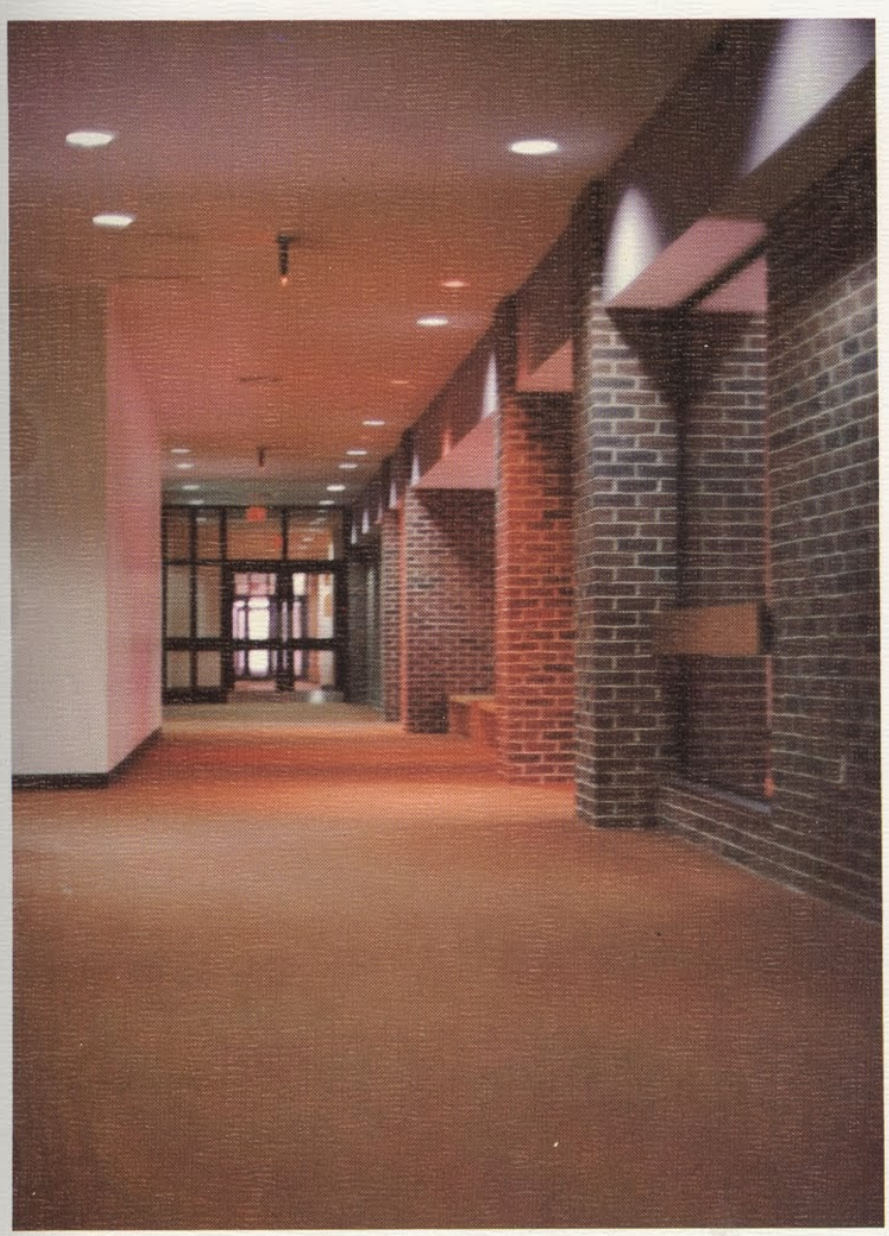
From number one to number three the halls echo future fame. With the newness all around and the marvels of modern day education at our fingertips Taunton High is still number one in things that count at heart — PRIDE, SPIRIT, and DEVOTION.

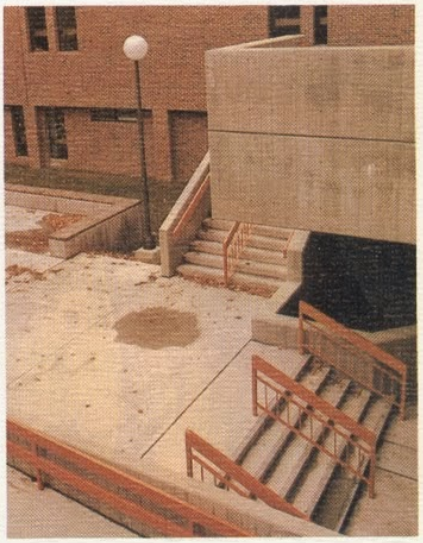
A time comes in everyone's life when he must make a choice, a choice between continuing on the beaten path, or striking on to find new horizons. Taunton High has chosen to move ahead in a different direction, and a new day is dawning. The road ahead is long and

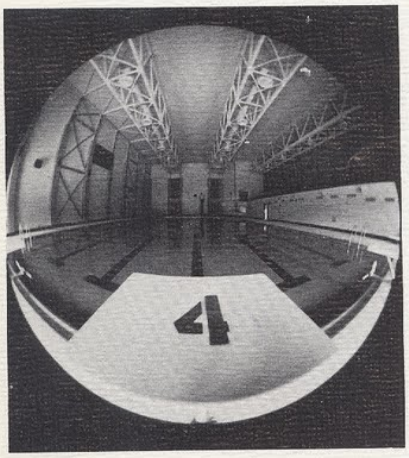




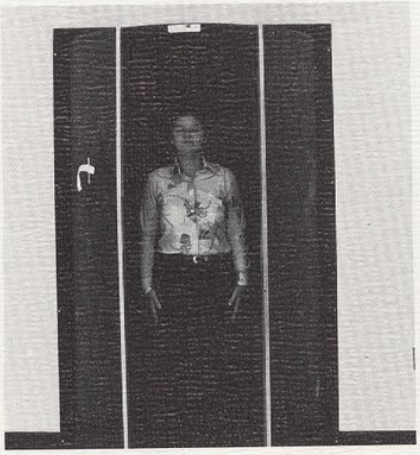
winding with many decisions to be made and problems to be solved. But that first step has been made, and we can look ahead to a shining future full of hopes and dreams.

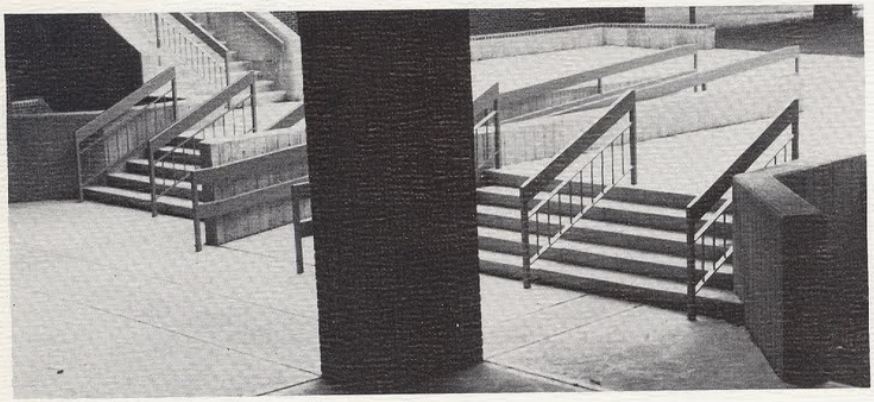


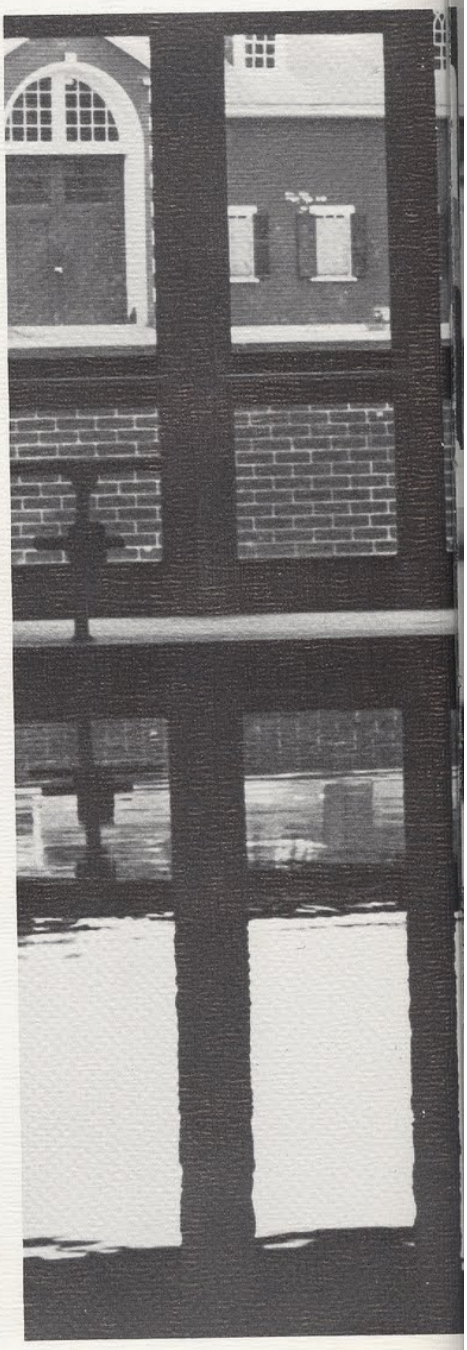


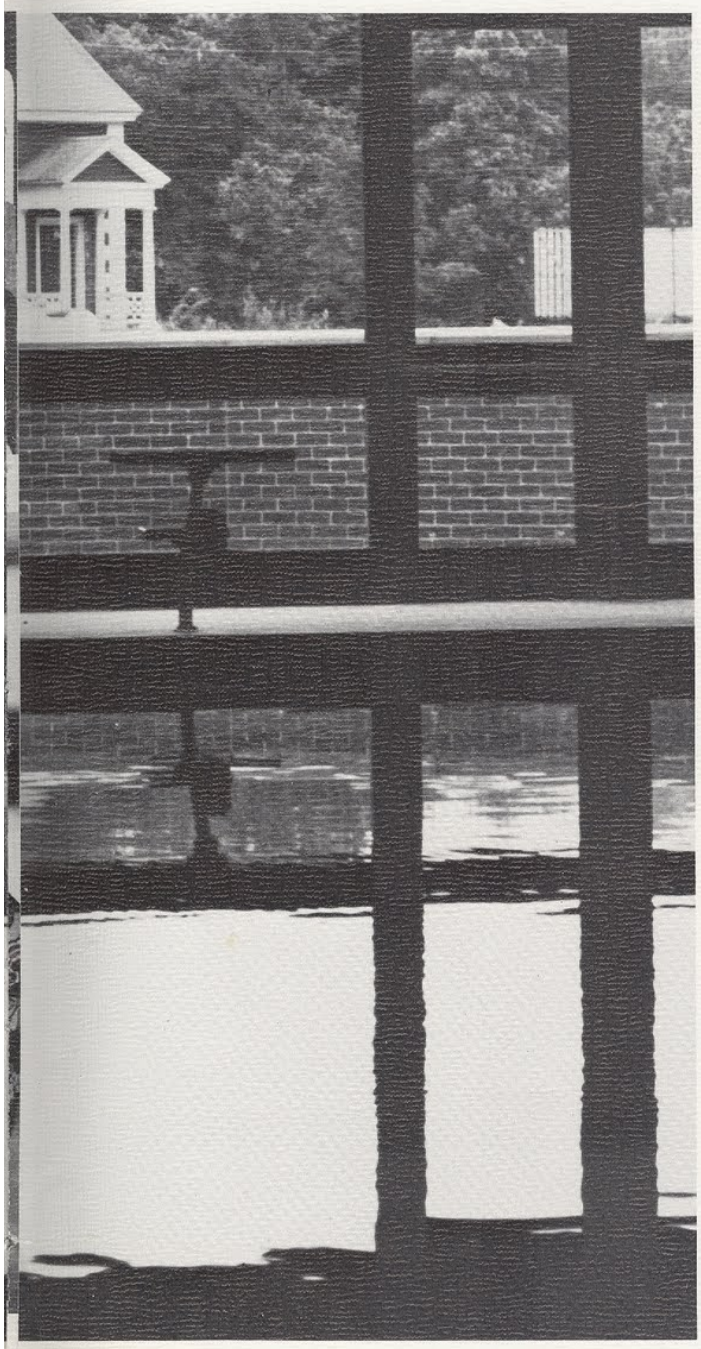


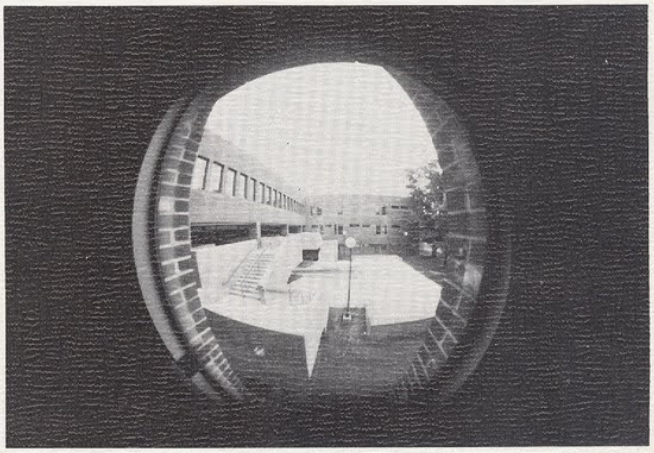
4



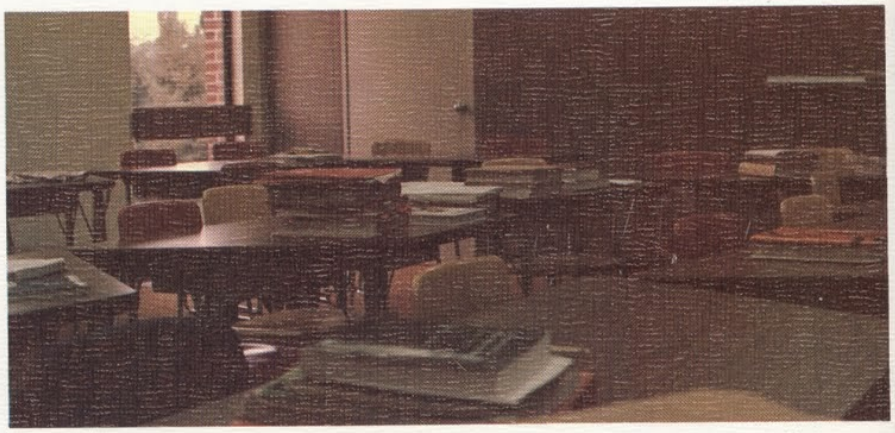


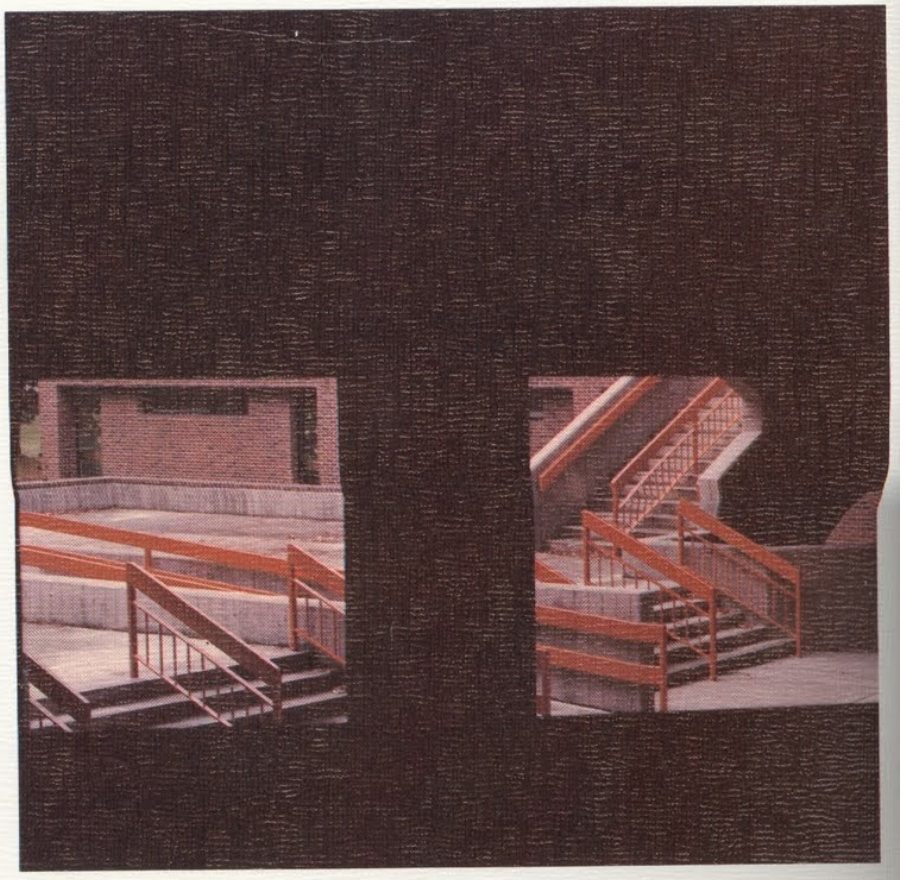






Oh, heart, shed your bountiful chains that ebb the tide of love's remains. So that my friend can clearly see without a doubt that I love thee. Friendship is a curious thing. It's one I can't explain and while all the rest departs, here it still remains. So let it be with ours, my friend,





through all the miles and tears. As we look back with memories to our high school years.

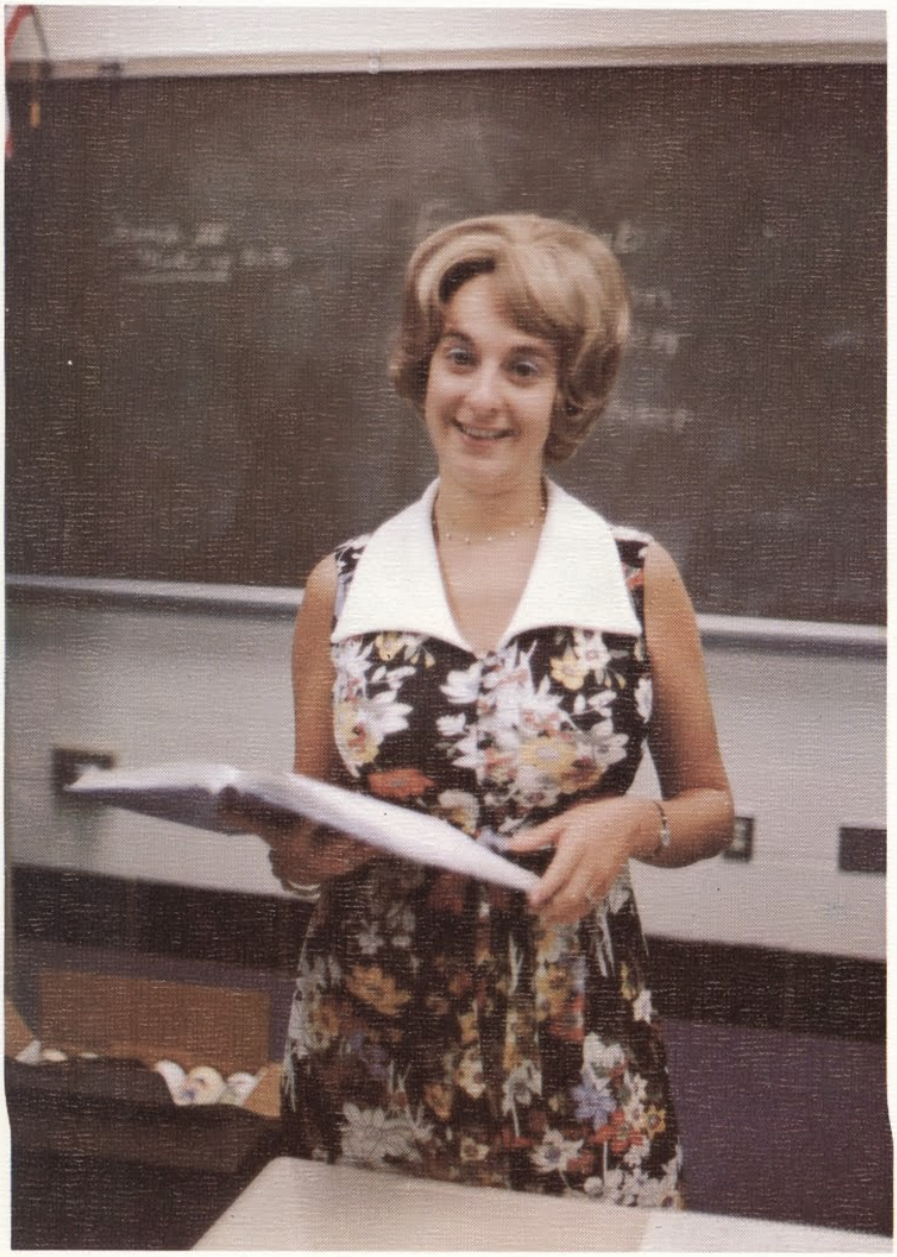
DEDICATION



A teacher, a friend, a lady, Mrs. Lavoie, we feel that these words although insignificant in form take on unsurpassed meaning when applied to such a person as yourself. With everything in the life of T.H.S., it's comforting to see an old friend with a warm smile and a kind word on whom you can depend. It is the type of sunshine YOU produce that lights the halls of T.H.S. So to you Mrs. Lavoie, we the Class of 1976 would like to dedicate this special journal to a very special lady.

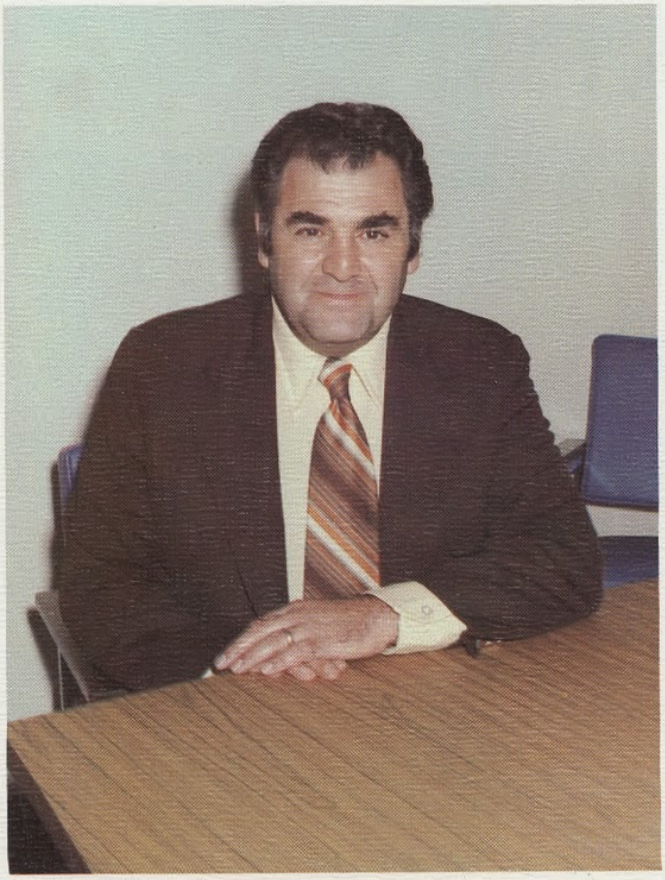
HEAD MASTER



Together we have reached a milestone in your educational development — graduation.

The self-discipline and manner in which you have conducted yourself exemplifies the pride we have in our academic community.

As you leave others the responsibility of continuing academic life here at Taunton High School, let us hope they continue to harbor within themselves this same pride.

May success and happiness be yours.

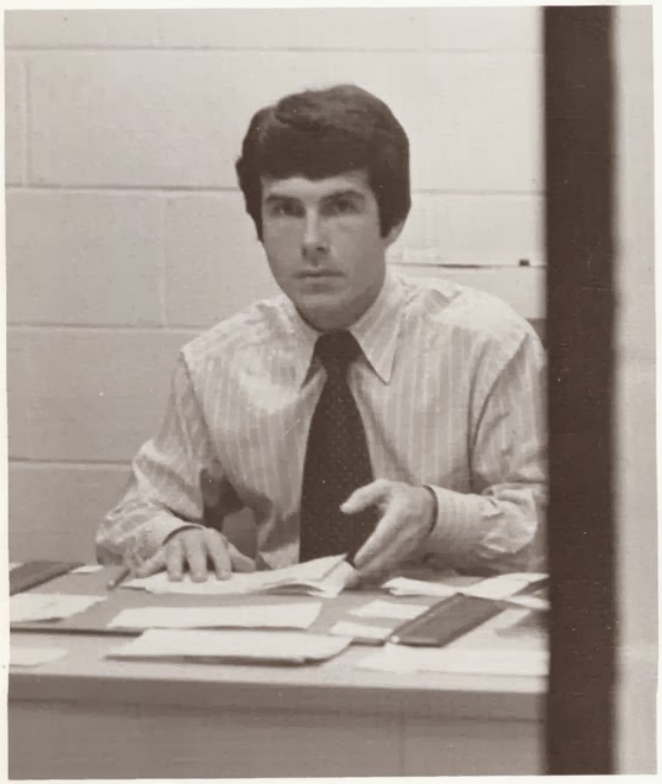
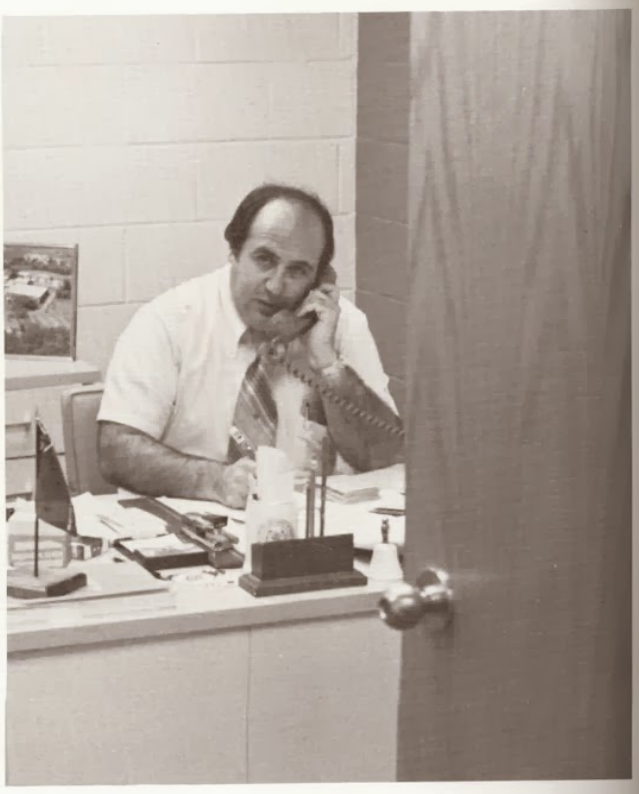
HOUSEMASTERS' MESSAGES





One year ago we both entered the new Taunton High, each of us not knowing what the year would bring. Through guidance and understanding, we have adjusted and developed from the naive to the confident and the mature.

The class of 1976 has many reasons to be proud of its significant accomplishments. Under near impossible conditions, this class has compiled a record in academics, sports and co-curricular activities unsurpassed in the history of the school. I am sure that your willingness to confront cheerfully and overcome obstacles fortells a future which will be replete with continued success.

Please accept my sincere congratulations and best wishes as you face the challenge ahead.

Richard W. Marcoux

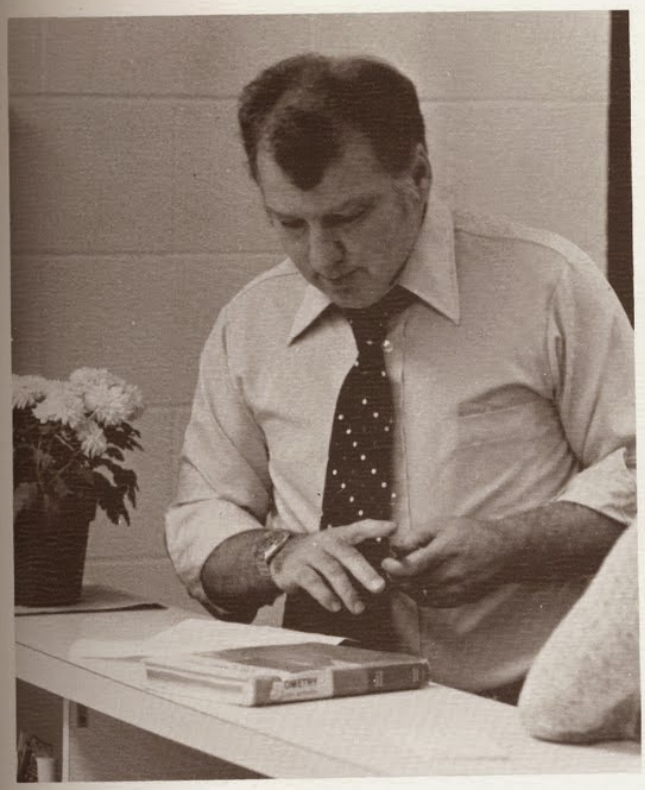
Housemaster A.

Best wishes to the first graduating class of the new Taunton High School. As you graduate in this bicentennial year may this year's experience help you to balance the great traditions with innovative ideas in overcoming the problems of the future.

Edmund G. Teixeira

Housemaster B

HOUSEMASTERS' MESSAGES



You have been given the opportunity to be the first class to occupy the new Taunton High School. I ask you to please initiate a manner and tradition that will incorporate a behavior and a sense of pride that will show, to the community, your thanks for what they have given you.

May you repay your parents' sacrifices by fulfilling your potential during the years you spend here at Taunton High School.

John Silva

Housemaster C

Congratulations on a fine first year in our new school. We are all indeed fortunate to be the benefactors of such a beautiful and complete campus. Let's keep it always as great as it has been in 1975-1976! PRIDE!

SPORTS

Don't Quit

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit —
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a fellow turns about
When he might have won had he stuck it out.
Don't give up though the pace seems slow —
You may succeed with another blow.

Often the goal is near than
It seems to a faint and faltering man;
Often the struggle has given up
When he might have captured the victor's cups;
And he learned too late when the night came down.
How close he was to the golden crown.

Success is failure turned inside out —
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit, —
It's when things seem worst that you mustn't quit.

Let's see if I got it right — that's 3 big macs 4 French fries . . .

Daddy? Daddy, who?

Listen, my children, under duress,
To the midnight ride of the Taunton express.
In the wee morning hours, at just about five
When scarcely a soul is up or alive,
The intrepid Bostonians bravely arise
And using two toothpicks prop open their eyes.
Hasty ablutions begin every day
And then they are off to meet the highway.
While you are all still snug in your beds,
They're already thinking how to fill your heads.
So they hurry here to teach and to guide
In a daily repeat of Paul Revere's ride.

Best Wishes
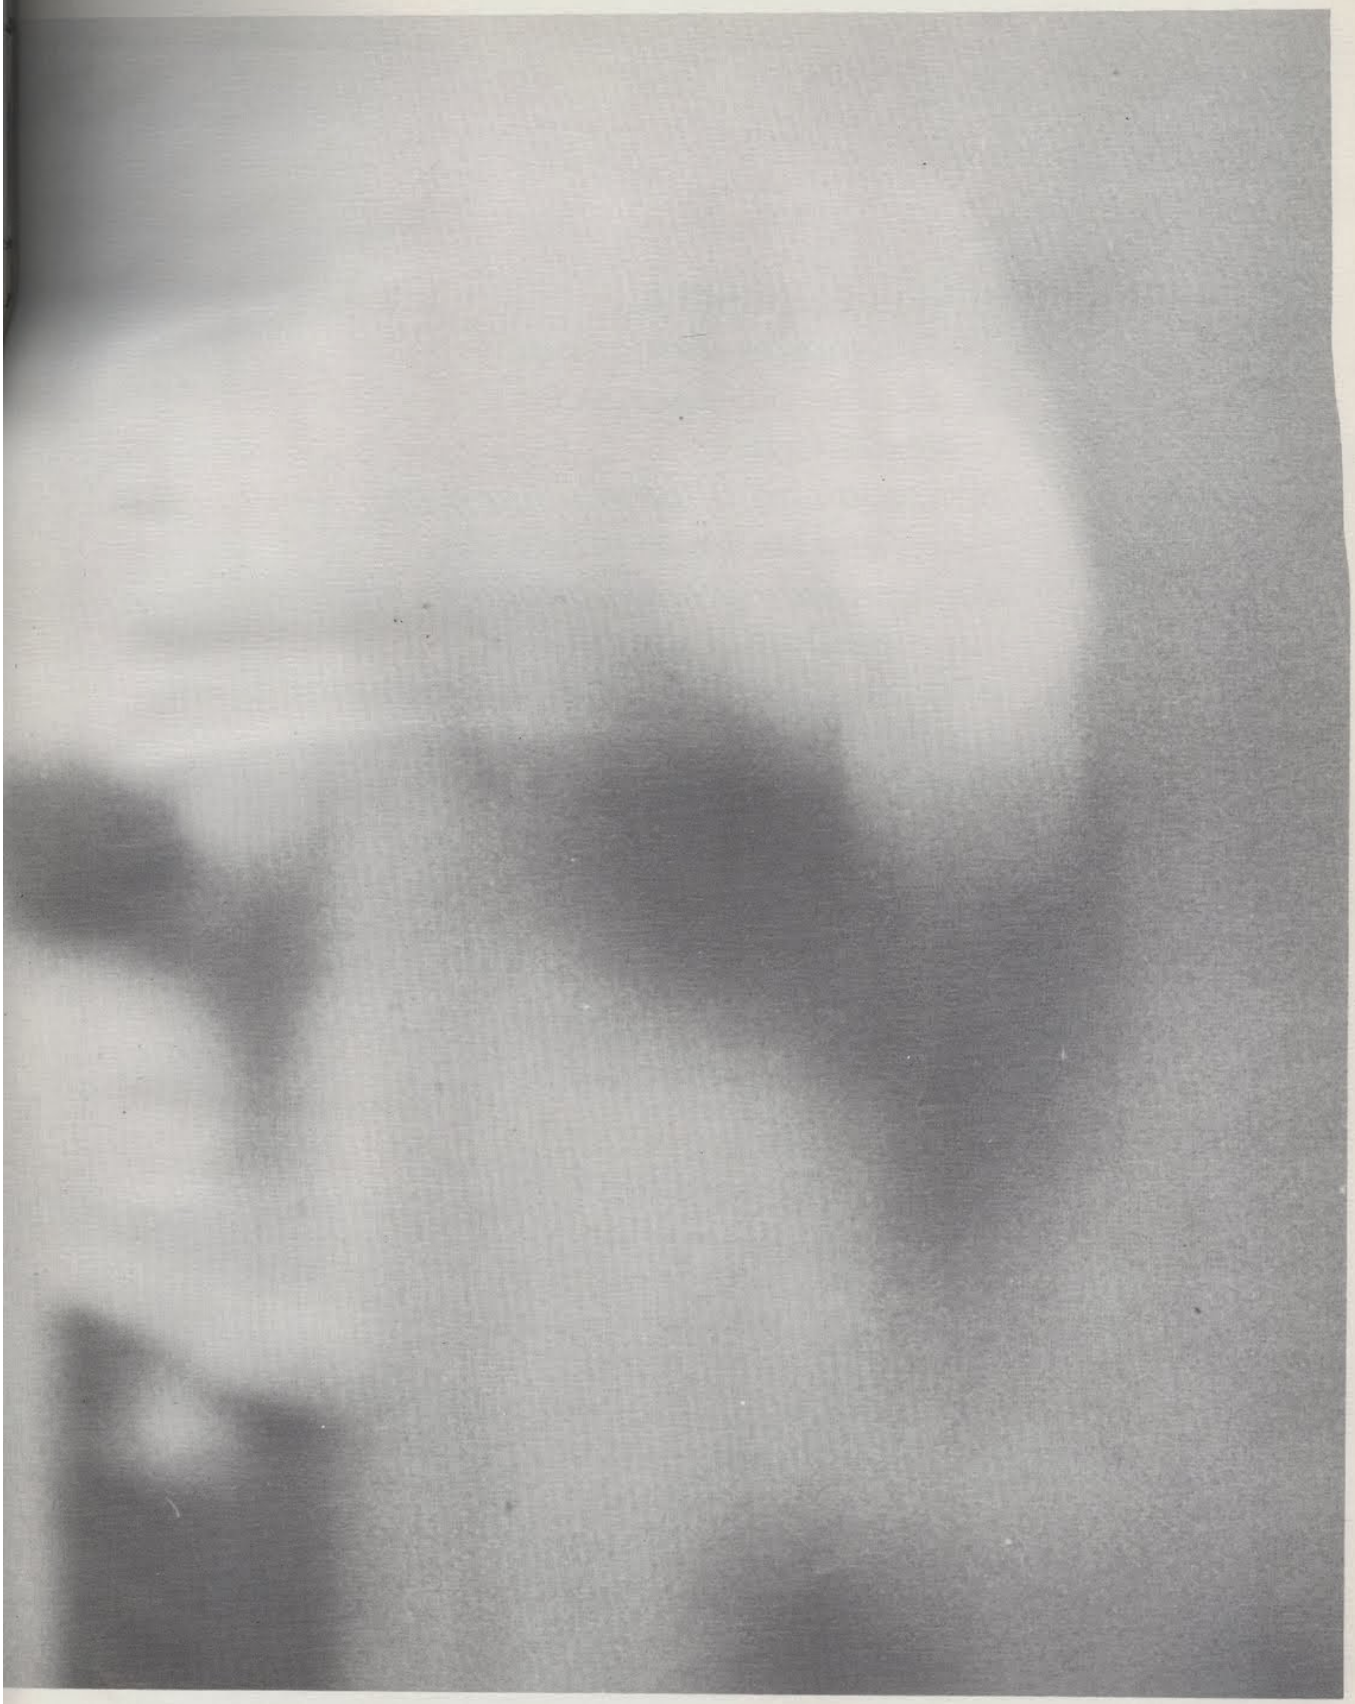
from the 1976 Journal Staff



The pictures end here;
the memories continue on.
Each of us has our special
stories to tell
and moments filled with laughter,
jokes, and smiles so bright that
the light they give off blinds
our memories of times filled
with frustration, aggravation,
and so it seemed never-ending
obstacles.
This Torch that burns so
brightly makes it all worthwhile.
We, the members of the class of 1976,
have each sparked our future from
this fire and pass the source of
this light on to the class of 1977.
